Jimmy Alexander - Performance Pathways Coach & Admin Officer

Tony Casella - Coach Education Services Officer

*Indicates leaving the position after 31 Dec 2022

CHAIR & CEO REPORT

Wade Burns
Commission Chair

Tim Brenton
Chief Executive Officer

In 2022 we welcomed a new CEO to Basketball South Australia. Tim Brenton commenced on 31 October, taking the reins from Phil Sinnott. Phil Sinnott resigned from the CEO position after nearly five years as the organisation's leader, making way for a new chapter in basketball history.

The Commission, staff, and members thank Phil for his professional management of Basketball SA and his dedication to the sport industry. Phil will continue to be acknowledged for his instrumental role in securing funding for the State Basketball Centre, a major project which Phil has continued to contribute to in a volunteer capacity since vacating the CEO position.

With new leadership however, comes new vision. Tim has stepped into the CEO role seamlessly, having a depth of basketball expertise and experience across a multitude of roles and functions. We look forward to the journey and thank Tim for his efforts to date.

The strategic plan has continued to guide the work of the Commission and Basketball SA with a major focus on ensuring the State Basketball Centre delivers maximum impact to the basketball community.

Wade Burns, Chair, and Tim Brenton, CEO, wish to thank Phil Sinnott for his outstanding contributions to Basketball SA up to 30 September 2022. We also extend a warm thank you to all Commissioners, staff and volunteers for their continued dedication and service to Basketball SA.

We acknowledge the ongoing support of the Office for Recreation Sport and Racing, Basketball Australia, our sponsors, and our partners.

Thank you

STRATEGIC ACHIEVEMENTS

Chair and CEO Report

1 Sustainable Financial Growth

Basketball SA has been supported by government with funding and a training and development package to review the current governance structure of basketball in South Australia. Basketball SA will learn from leaders in sport and engage in a genuine consultation process with our members to modernise the structure of basketball and ensure basketball is in a favourable position for future funding and infrastructure opportunities. Succession planning for the Finance and Audit Committee saw a new Chair commence in 2022 with the previous Chair remaining as a mentor and committee member for a smooth transition. The Female Participation Levy continued to be applied in 2022 with a fee for service model introduced to improve member benefits and Adelaide Lightning engagement.

2 Member Engagement

The Commission held two member workshops over the year to provide an opportunity for all members to exchange information with the Commission, provide feedback, better understand the basketball landscape, and influence strategic decision making. A process for President Induction was commenced in 2022 with Basketball Adelaide Presidents. The induction process was a joint initiative of Basketball SA and Basketball Adelaide and has been very well received by new and existing Presidents alike. The induction process has provided new Presidents with critical information about their role to aid the improvement of club governance frameworks and succession planning.

3 Strong Frameworks and Services

Basketball SA signed a three year contract with World Sport Action to introduce a new CRM for the sport. Basketball Connect will replace Gameday and provide a robust records and competition management system to facilitate the collection of accurate data that can be used in sport advocacy. Basketball Connect is promised to be an easier interface for members, can be tailored for our specific needs, and will improve the efficiency of competition management. The Behaviour Management Framework has been in place for the 12 months of 2022. While spectator behaviour continues to be a concern for the sport, the understanding across the community has seen improvement following a comprehensive campaign aimed at changing the culture. Both the Behaviour Management Framework and the Female Participation Strategy have received positive national and industry attention for Basketball SA.

STRATEGIC ACHIEVEMENTS

Chair and CEO Report

4 Facilities and Infrastructure

Basketball SA has worked tirelessly to realise the commencement of construction of the State Basketball Centre (SBC), which has broken ground in 2022. A great deal of negotiation, planning and design to obtain the best possible result for basketball will result in a state of the art facility, opening in 2023 at the Wayville Showgrounds. The SBC will become the home for basketball in South Australia, boasting 4 new courts, a show court, high performance facilities, professional changerooms, FIBA standards, changing places, a sensory room, history wall, and office spaces.

With a project budget of around \$17 million, the SBC is the biggest project for Basketball SA since the Adelaide 36ers Arena was opened in 1991 (then known as the Powerhouse Stadium). The SBC project is a collaboration between the State government, Basketball SA, and the Royal Agricultural and Horticultural Society. The Commission is committed to ensuring the investment of funds from Basketball SA will not impact the sustainability of the organisation nor restrict future capital works or infrastructure investment.

Basketball SA secured leases to access new facilities for basketball at Reynella East and Mitchell Park, and supported SA Church to obtain court use at Scotch College. The 3x3 training court at Port Adelaide is near completion, and funding was secured to install air conditioning at Springbank Stadium. The Commission continue to explore future stadium management modelling options that will provide the best outcomes for the sport as a whole.

5 Provide more opportunities for Play and Grow

The activities of the Female Participation Strategy reached 3950 primary school children across the state, exceeding the KPI established for 2022. The strategy resulted in an increase in female junior district players, female referees, female leadership, and female inclusive participation. Basketball Australia funding for Wheelchair Basketball contributed to increased development programs resulting in the Wheelchair Basketball Association sending the first home grown team to compete at the Kevin Coombs Cup. Overall, there was an increase in referee and coach accreditation courses including the introduction of an online Community Coach Course to facilitate more engagement and remote access.

FEMALE PARTICIPATION STRATEGY

Supporting Participation

- Team nominations for junior district competition increased by 15 teams for girls
- All NBL1 clubs represented in 2022 Lightning Academy
- 44 Primary school visits including 11 regional, 3947 participants
- Increase in percentage of total female referees

Increasing Diversity

- Female Leadership at BSA increased by 50%
- 37% Female Club Presidents across the state
- Successful clinics held in High School Disability Units resulting in increased participation at Ivor Burge
- NAIDOC week visit to Port Pirie, 30 participants

Community Engagement

- More resources available on the website page
- Sanitary Starter kits and educational resources distributed across the state
- Two news articles promoting strategy
- Three networking events
- Regular marketing content across socials

Role Modelling

- Role models at all clinics
- Partnership with SheHoops, opportunities promoted
- Attendance at Women in Sport Taskforce Activation Event
- Increase in average Facebook reach

Business Management

- Role models at all clinics
- Partnership with SheHoops, opportunities promoted
- Attendance at Women in Sport Taskforce Activation Event
- Increase in average Facebook reach

BEHAVIOUR MANAGEMENT FRAMEWORK

Member services

Basketball SA's Behaviour Management Framework, sets the standard for good behaviour both on and off the court. An extensive promotional and education campaign was undertaken that included development of animations for relatable messaging.

Other basketball state and territory associations around Australia have acknowledged the ground breaking work being done in this space, and have followed a consistent path. Basketball SA will continue to review and improve the Behaviour Management Framework, to ensure that all referees at all levels are provided with safe working conditions and an environment to thrive.

The behaviour of spectators, and coaches continues to be the driving issue in less than acceptable referee retention. As the governing body, we are exploring a multitude of strategies to educate and improve the behaviour state wide.

BEHAVIOUR MANAGEMENT FRAMEWORK

BE A GOOD SPORT

BEHAVIOUR MANAGEMENT FRAMEWORK

BASKETBALL SA RECOGNISES THAT AN INCLUSIVE AND POSITIVE CULTURE IS NEEDED TO ENABLE PARTICIPANTS TO LEARN AND GROW IN AN ENVIRONMENT THAT IS FREE FROM HARASSMENT, BULLYING, DEGRADING, OR INTIMIDATING BEHAVIOUR.

**THE STANDARD STARTS WITH YOU.
BE A GOOD SPORT, FOR A GOOD SPORT.**

NO EXCUSE FOR ABUSE

MEMBER SERVICES

Aboriginal Basketball Academy

Basketball SA and the Aboriginal Basketball Academy commenced a new 3-year partnership agreement in 2022. The partnership connects Basketball SA with the work of the ABA within the First Nations communities to provide meaningful, impactful, and tangible benefits for all young Indigenous people.

Delivered in 2022

- Two-day camp at Murray Bridge
- Skills session with FPS at Port Pirie
- NAIDOC week
- 'Our First Nations' webpage with Renai Fejo
- 42 students (Year 10 -12)
- 17 Graduating students

List of Partners

- o Adelaide Lightning
- o Adelaide 36ers
- o Aboriginal Basketball Academy
- o SEDA College
- o Special Olympics Australia
- o Free Throw Foundation
- o Refbook
- o Sport Chaplaincy
- o Paralympics Australia
- o Springbank College

FINANCIAL REPORT

The period January 2022 to December 2022 saw a return to “business as usual” over the course of the year for Basketball, after several years of disruption due to COVID-19. The opening of the state borders in the early part of the year did result in impacts in the first few months as the regulations around close contacts and isolation were integrated within the competition.

Construction on the State Basketball Centre (SBC) began, with significant progress made over the course of the year. A wet winter with heavy rain did cause delays to the initial site works and as a result the expected finish date, along with some minor cost increases overall.

New leases for court use were signed at Mitchell Park Sports & Community Centre (2 years) and Reynella East College (3 Years), as well as the extension of the lease at Springbank College (20 years). The impact due to the statutory accounting requirements for the treatment of leases causes a large unfavourable impact vs the actual cash cost at the beginning of a lease. It is important to note this is a non-cash impact only, which will cause an impact to the statutory results but not the overall cash earnings. An overall increase in participation and registered players saw an increase in revenue growth over the course of the year. Competitions continue to be an area of high importance within the budget, with increasing pressure on costs impacting the price for families to participate. Basketball SA remains committed to keeping the fees for all participants as low as possible, however high inflation and the higher costs to run competitions as a result require careful monitoring.

The net result for 2022 year was a statutory deficit of \$26,335. When adjusting for non-cash impacts due to depreciation, statutory reporting lease treatment and capital expenditure, the net result was a cash earnings surplus of \$74,316.

Basketball SA will continue working with local councils, state government and federal government to support the increase in facilities and infrastructure required for the sport, whilst also focusing and investing in the need to increase the recruitment, retention and availability of officials.

Basketball SA would like to thank all sponsors and partners for their assistance throughout the year. Basketball SA would particularly like to thank the South Australian Office of Recreation, Sport and Racing and Basketball Australia. The assistance of our partners is essential in allowing the continued operation and improvement of the delivery of programs.

Basketball SA Inc

Statement by Members of the Commission

In the opinion of the Commissioners of the Association the financial report as set out on pages 3 to 21:

1. Present fairly the financial position of Basketball SA Inc as at 31 December 2022 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that Basketball SA Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the commission and is signed for and on behalf of the commission by:

Chair 
Wade Burns

Commissioner 
Jenni Thom

Dated this 11th day of April 2023

Independent Audit Report to the members of Basketball SA Inc.

Opinion

We have audited the accompanying financial report of Basketball SA Inc (the association), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the statement by the committee of the association.

In our opinion, the accompanying financial report gives a true and fair view of the financial position for Basketball SA Inc as of 31 December 2022, and of its financial performance and its cash flows for the period then ended in accordance with Australian Accounting Standards and the *Associations Incorporation Act 1985 (SA)*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation of the financial report, which gives a true and fair view in accordance with Australian Accounting Standards and the *Associations Incorporation Act 1985 (SA)*, and for such internal control as the Commission and management determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

23

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
