**STATE CHAMPS**

18 - 21 MAY

# Participating Clubs

# Corporate Partner and Sponsor of referee's and officials

We are excited to introduce the Seeley International "Keep Your Cool" Award, which recognises the club that demonstrates the best behaviour towards referees, opponents, and officials on the court.

We are proud to have Jon Seeley from Seeley International present this award at the awards ceremony on Sunday, 21st May.

## Six key categories will determine the award:

- Fewest Technical Fouls
- Positive Play
- Respect towards the Opponent
- Respect towards the Officials
- Behaviour of Team Officials
- Behaviour of Team Supporters

The winning club will be the one that scores the highest on the criteria, demonstrating a commitment to fair play, respect, and sportsmanship. The award will be a perpetual trophy, symbolising the importance of these values in all our games.

This award will inspire all clubs to strive for excellence in their behaviour on and off the court

# Welcome

## Recognition of country

Basketball South Australia acknowledges that we are meeting on the traditional Country of the Kaurna and Peramangk people of the Adelaide Plains and pays respect to Elders past and present. We recognise and respect their cultural heritage, beliefs and relationship with the land.

We acknowledge the continuing importance of this land to the Kaurna and Peramangk people living today. We also extend that respect to other Aboriginal Language Groups and other First Nations.

#### **Operations Manager**

From everyone in the team at Basketball SA, I am pleased to welcome you to the Basketball SA Junior Championships for 2023.

The Junior State Championships is the preeminent event for our junior participants and is an event that all junior basketballers in the state should aspire to.

The championships provide a pathway for our junior athletes to join the NBL1 Central Competition and other elite competitions and is the most exciting weekend on the basketball calendar for our junior participants.

I thank Seeley International for supporting our referees, referee coaches, and technical officials. Without the tiresome work of all officials, this weekend would not be possible.

I also want to thank the participating Clubs, all players, coaches, and managers for their hard work and cooperation in bringing the State Championships to life. I'd also like to acknowledge the effort and sacrifice our players' parents make to help their children achieve their goals.

I wish all teams well for the weekend and look forward to seeing some exciting, intense, and respectful games of basketball over the Championships.
